PRISCILLIAN'S FAST MILE.

TIES THE SHEEPSHEAD BAY TRACK RECORD AND COULD EASILY HAVE BEATEN IT.

Torbellino Proves a Surprise in the Zephyr Stakes and Wins from Wamba—Old Honesty in Front.

New York, June 29.—Priscillian displayed the greatest speed of any horse out this year in the introductory race at one mile at Sheepshead Bay today. Notwithstanding that the time for the distance only equalled the track record of 1:37⅘ and was still short of the best American record by one-fifth of a second, his performance ranks as the best ever seen anywhere when taking into consideration the manner of its accomplishment.

It was apparent to the newest novice that Priscillian was never extended at any stage of the journey and close observers declared that had he been called upon to do his best, all existing records on the American turf would have been broken.

Old-timers said that there was very little difference in the attendance today from the crowd which used to come out on Mondays before the anti-betting law went into effect. There were many there who had journeyed to the seashore to get away from the sweltering heat of the city, but no relief was obtainable at the race course, because the wind came from the west—the wrong direction. The Bay Ridge Handicap and the Zephyr Stakes were the features of today's good off-day card. Torbellino, the big half-brother to Dr. Leggo, won a game victory in the Zephyr and it is probable that Adolph Spreckels' grand looking youngster may develop into a better race horse than his distinguished relative.

The tabled history of the Zephyr Stakes since 1900 is as follows:

Year.	Winner.	Wt.	Jockey.	Val.	Time.
1900	Commando	112	Spencer	$1,800	1:09⅘
1901	Disadvantage	114	Shaw	700	1:06⅗
1902	Golden Maxim	110	O'Connor	3,940	1:08⅖
1903	Race King	115	O'Neill	3,900	1:09⅘
1904	Gamara	108	Hildebrand	3,735	1:08⅘
1905	Gallavant	115	Redfern	3,900	1:08
1906	Red River	115	W. Miller	4,470	1:06⅘
1907	Lady Winifred	117	Garner	4,310	1:07⅘
1908	Torbellino	112	McCahey	3,690	1:07

Old Honesty, another western horse, triumphed in the Bay Ridge Handicap. Good luck attended him throughout the race, both of his supposed formidable contenders, Fountainblue and Juggler, being removed by reason of pronounced disabilities, the former falling lame again and the latter also pulling up lame.

The tabled history of the Bay Ridge Handicap is as follows:

Year.	Winner.	A.	Wt.	Jockey.	Val.	Time.
1901	Kamara	4	111	Shaw	$1,085	2:06⅗
1902	Advance Guard	5	117	Wonderly	1,080	2:07⅘
1903	Blues	5	122	Hoar	1,630	2:10⅘
1904	Proper	4	111	Hildebrand	3,250	2:06⅘
1905	Cairngorm	3	111	W. Davis	3,150	2:08⅘
1906	Ram's Horn	4	113	Shaw	3,225	2:05⅗
1907	Gallavant	4	105	Garner	3,025	2:07
1908	Old Honesty	4	119	Notter	510	2:06⅘

George J. Long arrived this morning from Kentucky with his string of eight horses.

It is stated as a fact that the week-day attendance of the present meeting compares favorably with that of ten or twelve years ago, and is larger by far than it was a couple of decades back.

W. E. Phillips pulled out during the morning for Windsor, Canada, with Fred Cook's string of ten racers.

The Metropolitan Turf Association will not give one of their members, E. J. Callahan, moral or material aid in his present predicament. Callahan was arrested last Saturday for alleged violation of the anti-betting law in that he recorded a wager. If the charge be true, Callahan was very indiscreet and will get no sympathy from anybody.

It was significant that many of the yearlings sold last Saturday were bid on by men who represented intending South American purchasers.

When Walter Miller's contract with Thomas H. Williams expires this fall, the champion jockey will probably be re-engaged for the coming winter meeting at San Francisco by the president of the California Jockey Club. He plans to ride in Europe next season.

Notwithstanding that the legislature has passed anti-racing laws, the Breeding Bureau of the Jockey Club has decided to continue its work throughout the state of New York for at least one more year, even though it entails a considerable outlay of money.

Firestone and Montgomery, Thomas H. Williams' formidable pair of eligibles to the $15,000 Advance Stakes, to be decided next Wednesday, received their final preparations for that important fixture Sunday morning. Their work was so impressive that experts predict a possible first stake victory of the season for Mr. Williams' entry. Firestone went the first mile of the trial in 1:40, being pulled up to a canter, the other quarter in 2:12. Montgomery's work in 2:08 was the fastest from a time standpoint, but it did not impress beholders as Firestone's did.

Jubilee will be retired until fall. His owner, Fred Littlefield, thinks he has been campaigned too long and needs rest.

James R. Keene said today that Colin would probably not race again until the Saratoga meeting, but that Celt would participate in the Brighton stakes to which he is eligible, if they are run off.

It is said that Fred Burlew has changed his mind about seeking a job as a trainer in France and will remain in this country, as he thinks the steadily improving conditions of the racing situation in the east indicate a return of the sport to its former prosperity, or very near it.

The roof of the grandstand has been barred to every one in order to foil the poolrooms. Hundreds of race-goers who always view the races from there, were very much disappointed at being excluded from the only point of vantage where one can see the races over the Futurity course properly.

J. E. Madden left for Cincinnati yesterday morning.

Edward Corrigan was a visitor at Sheepshead today. Senator Owen Cassidy was also another distinguished newcomer.

Gentlemen jockeys disported themselves in the six and a half furlongs race. Tony Bonero, the prohibitive favorite, ridden by his owner, spread-eagled the others. Nothing ever got near him at any stage of the running.

Half of the card was captured by favorites and of the outsiders the well backed Torbellino helped to despoil the layers of some of their winnings of last week.

COST OF DEFENDING RACING IN NEW YORK.

Albany, N. Y., June 29.—The Coney Island Jockey Club filed a statement with the secretary of state today, in which it swears that it expended $7,538.53 for counsel in connection with the anti-race track betting legislation.

The Saratoga Association, in its report, swears that it spent $5,653.91.

WINDSOR RACE-GOERS GET A DRENCHING.

Close Finishes Mark the Racing—Flying Virginian Has to Be Destroyed.

Detroit, Mich., June 29.—The races at Windsor this afternoon were run over a sloppy track and under conditions that were far from pleasant. The crowd was too large for the small plant. This meant that many of the visitors got a good soaking. Heavy showers set in just before the horses were called to the post for the first race and for the remainder of the afternoon there was a steady downpour. While the card was in the main made up of selling races, still the fields were in most instances evenly matched, with the result that four of the finishes were very close and in three of them the winners were under hard drives. Zipango's margin over Petulant in the closing race was only a half length, but Koerner drew the finish fine and had he wished, Zipango could have won off by himself. Scratches were numerous in the last two races, but the others brought out large fields. Richard Watkins captured two races, one with the two-year-old Ramble and another with Miss Delaney. Delaby had the mount on both horses.

Speculation was lively and reports from the ring were that money was plentiful and that business was much better than on the opening day.

During the running of the steeplechase, Flying Virginian, ridden by his owner, Mr. Dion Kerr, and a heavily backed second choice, grabbed himself just after going over the tenth jump. The horse was pulled up and his rider dismounted. On examination it was found that he had cut one of his tendons clean in two, and it was decided that he would have to be destroyed.

Chipmunk and Hawkama won their races off by themselves. Both horses showed rare form and at the finish both were under restraint.

The mare, Kelpie, which fell on Saturday, is in a bad way and may have to be destroyed. It is thought that she has a fractured skull. Jockey T. Rice, who had the mount on Kelpie when she fell, was at the track this afternoon apparently none the worse for his fall beyond a few scratches.

Richard Carman was among the new arrivals. A division of his stable in charge of Algernon Claxon is here and his rider, Guy Burns, had a couple of mounts during the afternoon.

Howard Oots got in this morning with his stable. He came from Latonia and will race on the Canadian circuit.

Nugent Bros., a St. Louis firm of horsedealers who are racing a small string up here, have announced that they are in the market for 200 cheap thoroughbreds. It is said that they will be shipped either to Mexico or South America.

Bill Phillips wired his employer, Fred Cook, that he was unable to ship from New York yesterday on account of the failure of the express company to furnish him a car.

Barney Michaels, one of the old guard of the Metropolitan layers, arrived from New York yesterday and was at the track this afternoon looking the sport over.

OAKLAND TRACK RECORDS TO DATE.

The Oakland track was a speedy course last winter and spring and in the course of the meeting of 1907-8 eleven new track records were made, those at three-eighths, three and a half furlongs, half mile and a mile and twenty yards being tie records, with the honors at each distance shared by two horses. Modena, Rosevale, Carmisa, Work Box, Righteasy, Gemmell, Sugar Maid, Lisaro, Downpatrick, Pontotoc, Logistilla, J. C. Clem, Ramus and Big Bow are the new record holders. The latter's 7:16 for four miles in a race was the most important performance. The Oakland track records are now:

BELMONT YEARLINGS OFF TO ENGLAND.

New York, June 29.—The eight thoroughbred yearlings sent from August Belmont's Nursery Stud in Kentucky sailed Saturday. They go to Watson's Palace House at Newmarket. It was a fine-looking band. Manager Kane, of Nursery Stud, is said to favor Fond Memories and Hasty Pudding most of the eight, which are as follows:

Tasteful, chestnut colt (brother to Tiptoe), by Hastings—Tarpeia, by Rayon d'Or.

Hasty Pudding, chestnut colt (half-brother to Dick Welles, Ort Wells, Security, Dick Finnell and Six o'Clock), by Hastings—Tea's Over, by Hanover.

Doncourt, bay colt (half-brother to Mizzen), by Octagon—Donna Mia, by Ill-Used.

Merry Task, bay colt, by Octagon—Merry Token, by Merry Hampton.

Nabob, bay colt, by Octagon—Niminy, by St. Simonmimi—Catherine Douglas, by Sterling.

Fond Memories, chestnut filly, by Octagon—Fond Hopes, by St. Blaise.

Boudoir, bay filly, by Octagon—Queen's Bower, by St. Florian.

Woodfire, chestnut filly (full sister to Woodwitch and Woodlane), by Octagon—Woodvine, by Magnetizer.

None of the eight has as yet been engaged in any of the English stakes. They go over at just the right time for selection preliminary to stake entry. Hasty Pudding is thought to be 1910 Epsom Derby timber.

A three-year-old sister to Tasteful, in Tarporlin II., is already in the Watson stable, in which the horses of Leopold de Rothschild and Baron E. de Rothschild also train.

BETTING CASES IN NEW YORK COURTS.

Judge Blanchard Takes the Motion for a Permanent Injunction Under Advisement.

New York, June 29.—After hearing John B. Stanchfield and Delancy Nicol, counsel for the Coney Island Jockey Club, for, and Corporation Counsel Pendleton against, the motion to make permanent Justice Bischoff's temporary injunction restraining Commissioner Bingham and the police department from interfering with the crowds at the Sheepshead Bay race track, to which Stanchfield added today interference with men making private wagers on the races, without memoranda, or bookmaking, Justice Blanchard reserved his decision. The original injunction referred only to the practice of the police of making the crowds in the race track inclosure keep moving. Mr. Stanchfield contended that a private wager was not a violation of the new anti-betting law, and that interference with such transactions by the police was, like the practice of keeping the crowd in motion by orders to "move on," a trespass on the rights of the public.

The Coney Island police court was filled with race-goers today when the cases of eighteen bookmakers, charged with violation of the anti-gambling laws at the Sheepshead Bay and Gravesend tracks, came up for the adjourned hearing before Magistrate Voorhees. Much to the disappointment of Charles J. McDermott, who appears for the defendants, the cases, after a sharp passage of words between him and Assistant District Attorney Martin, were continued until July 13, when it is expected Justice Bischoff will have decided the test case now before him.

UNEVENTFUL RACING AT SEATTLE.

Seattle, Wash., June 29.—Today's card at The Meadows was of ordinary caliber and was decided without special incident. Three favorites won and the other three—Osorine, Sachet and Elota— finished outside of the money. Osorine's poor showing was due to a very bad ride by jockey Harris, Walker's apprentice. Sachet lost all chance by a bumping match soon after the start and Elota ran an unaccountably dull race. The Englishman scored a fluke victory over Joyner, which was a victim of bad racing luck, but for which that horse would have come home by himself. Stable connections alone profited by Queen Alamo's win.

Bookmaker Frank Bain, jockey J. McIntyre and Joseph Dinkelspiel arrived today from Denver. Frank Doss will get in tomorrow with his horses and bookmaker H. L. Jones will be here within a few days. Bookmaker Ed Soule arrived today from California and will soon cut in.

Jim Davis goes to Los Angeles tomorrow for a few weeks and threatened complications will be deferred. It is understood that he will seek the aid of the courts if the attempt to bar him from The Meadows is persisted in upon his return. About fifty horses go from here to Everett, Wash., and Vancouver tomorrow to race several days.

EASTERN CONFIDENCE IN TURF INCREASES.

Ed Tipton, of the Fasig-Tipton Company, in the light of Saturday's sales feels much encouraged and says that the prices realized were excellent and that this indicated confidence in the future of the racing game.

This feeling of confidence is increasing all around. The crowds at Sheepshead Bay hold up, the bookmakers are beginning to adjust themselves to new conditions and each to gather his own group of regular customers. Instead of losing a vast sum through the Sheepshead Bay meeting, the Coney Island Jockey Club is likely to make a small profit, expensive though it is to operate.

"PLUNGER" SIEVIER ARRESTED FOR LIBEL.

London, June 29.—Saturday, at Sandown Park, Robert Sievier, famous as a plunger and owner of Sceptre and notorious as a smirched turfman and editor of a racing weekly known as The Winning Post, was arrested at Sandown Park Saturday at the instigation of J. B. Joel, South African millionaire and race horse owner, who alleges that he is guilty of libel in connection with certain articles published in The Winning Post reflecting on Joel's character. J. B. Joel is the South African diamond dealer and stockbroker and races a large stable.

BITTERNESS OF HART-AGNEW LAW.

"If this is the law," said Mr. Stanchfield in commenting on Section 351 of the New York statutes, for which Messrs. Hughes, Hart and Agnew are responsible, "then every schoolboy who plays marbles for keeps, every college boy who supports the boat crew of his college, every woman who plays bridge for a prize, is liable to be incarcerated in the penitentiary for a year. And how about every merchant or broker who buys in the market for a rise, especially if he buys that which he does not get from him who has it not to sell?"

RADTKE RIDES WINNER OF RUSSIAN DERBY.

Herman Radtke rode the winner of the Russian Derby at Varsoria early this month. He had the mount on his employer's, M. Lazareff, Gavote, a filly by Galtee More (Kendal—Morganette), out of Vira (Gallinule—Bellinzona).

PRETENSION FAILS BADLY.

CONFIDENTLY SUPPORTED AT LATONIA BUT DIRECTOR EASILY HOLDS HIM SAFE.

Rain Affects the Track Slightly—McDowell's Huck Graduates from the Maiden Class—Jason Takes the Steeplechase.

Cincinnati, O., June 29.—Big fields made up of ordinary horses composed today's card. A fair attendance for Monday was present, but speculation was the lightest of the current meeting, nothing standing out prominently to captivate the imagination and confidence of the crowd. Favorites fared badly, only one choice, Lady Almy, winning during the afternoon.

After the running of the first race there was a brisk shower, which continued until after the second race, but, aside from slightly softening the track and laying the dust, the going was not affected, and fairly fast time, considering the quality of the starters, was registered. If such it could be called, the fourth race was the feature. For some reason Pretension, despite his recent poor showing, was made favorite over Director, but when it came to the running the Respess candidate held Pretension safe all the way and won comfortably, Pretension being forced to do his best to retain second place from the fast-coming Lady Esther.

In the closing race crowding on the first turn was responsible for Lenora G. and Agnes Wood falling. For a time it was thought that Glasner and Hufnagel, who had the mounts on the pair, were seriously injured, but beyond a severe shaking up and minor bruises, the track physician could not locate any hurts about the youngsters.

The steeplechase over the short course went to Jason, practically neglected despite his recent good victory over the same starters. Coal Black Lady was the medium of confident support and flattered her backers by leading to the last field jump, where she tired badly and finally unseated her rider by blundering. The mishap gave McIlvain a clear course and he took a good lead, but failed to withstand the rush of Jason at the stretch hurdle. Cochran, on McIlvain, tried to impede the winner by steering his mount a swerving course. After the finish the judges fined Cochran $50 and suspended him for the remainder of the meeting for his attempt at interference.

Mrs. Sewall, under a hard drive, managed to outstay Serenade in the opener.

T. C. McDowell had better luck in the third race when his Huck won in a canter from a poor band of maidens. The fifth race also was contested by a bad field and Bitter Miss proved best and won comfortably from Water Lake, the favorite.

Jockey T. Taylor, suspended by the judges for ten days for rough riding, will be allowed to accept mounts again. He will ride Floreal in the Cincinnati Trophy.

Jockey C. Koerner has been requested to come here and ride Direct in the stake tomorrow.

Today's counter attraction, the baseball game between the Cincinnati and Chicago National League teams, was held responsible for the failure to draw a better attendance.

John Hachmeister returned from a flying trip to the Fort Erie track this morning. He reports the grounds rapidly reaching good condition and says the many improvements made on the plant will make it rank with the best in Canada.

PERSONAL LIBERTY PLANS.

In outlining the plans of the Personl Liberty League Colonel Franklin Bartlett, its president, said recently: "As yet it is impossible to say what the policy of the league will be, but it will be an organization independent of any political party and will embrace all law-abiding citizens who are opposed to any legislation restrictive and narrow in character and designed to interfere with the innocent enjoyments of the people of the city and state.

"Understand we are not going about this thing in a careless and impulsive manner, but shall endeavor to get proper legislation so that New York will be the cosmopolitan city it should be.

"We expect to enroll at least 100,000 citizens of New York City among our members within two months, and as this is a state as well as a city league, it is impossible to judge how many of the inhabitants of the smaller towns will join, but without doubt a great many.

"There will be practically no expense in conducting the campaign, as there is nothing to spend money for. If we were trying to fight against the will of the people it would be different. The New Yorker has had so many laws restricting his personal liberty passed under the cloak of religion or morality that it is getting irksome to him."

Thomas Gibson, a prominent business man, said: "The defense of the regulators of public morals hinges on the statement that crime results from drinking and gambling. Therefore, because one weak or unfortunate man falls by the wayside 10,000 men must be robbed of what they consider their prerogatives. So far as the crime resulting from stock exchange speculation or even race track betting is concerned, I will venture to say that much more misery and disgrace have resulted from real estate ventures."

Saturday night magistrate Daniel E. Finn said: "I believe the passing of the anti-betting bill is a step backward in the history of New York City. Think of the thousands of people who come to New York to spend their money. If these restrictions are continually introduced to restrict their personal liberty, it is bound to keep them away. I am an honorary member of the Personal Liberty League and in full harmony with all of its views.

"If this keeps on the city is bound to go back. The hotels, stores and places of amusement are bound to suffer. I was at the race track this afternoon, and while I did not meet Governor Hughes or any of his supporters, I had a good time. There is never any tough element at the track, nor pickpockets nor thugs that you find around the city at all times."

SANFORD WEARS THE LEAGUE BUTTON.

John Sanford, of the State Racing Commission, was at the Sheepshead Bay track Saturday and became a member of the Personal Liberty League. He handed a contribution to John G. Cavanagh, the temporary treasurer of the league, and said that he wished to work in the ranks for the success of the movement. A Wall street broker sent an application to the league for 200 silver buttons to be distributed among his friends.

LOUISIANA TRACK OBEYS MAYOR BEHRMAN.

New Orleans, La., June 29.—There was no attempt made by the Louisiana merry-go-round track to race Sunday. The management declares that it will obey Mayor Behrman, though it has the right to race Sundays and also announces that it will close the track as soon as the new Locke law goes into effect.

BRIGHTON BEACH "MODIFIED" STAKES.

No definite announcement as to the "modification" of the Brighton Beach stakes has yet been made. None should come, considering the Brooklyn and Coney Island Clubs' attitude and the willingness of Empire City to face the music. Then, too, there is another reason—the vast profit of Brighton Beach in the past.

Went to post at 3:30. At post 2 minutes. Start good. Won driving; second and third the same. Torbellino, forwardly placed and in the middle of the track from the start, closed up steadily and made good going away at the end. Wamba, after forward and persistent pursuit of Mediant, drew out in the

last furlong like the winner, but succumbed in turn to Torbellino in the last fifty yards. Mediant made the running by a wide gap to midway of the stretch, where she began to tire after an extra good effort. Statesman was well up throughout and a fast going fourth. Choirmaster of Chesterbrook showed superior early speed, but failed to stay. Lawton Wiggins went wide and was always outpaced. Eschau, away poorly, broke and ran green, but is a supposed good one. Madman bolted on the turn.

Juggler trailed for half the journey, but always within striking distance, then came with a belated stretch rush. Killiecrankie ran forwardly for seven furlongs, then tired. Fountainblue was sent into the lead at the end of a furlong and set the pace to the stretch, then quit very badly and pulled up lame. Big Bow was well up for nearly a mile, then dropped out.

Connaught Ranger, from an inside slow start, was quickly shuffled back and made a very wide stretch turn, but closed a big gap at the end and was easily best. El Picaro, from a flying start, was taken back after early interference and loomed up menacingly midway of the stretch, but tired at the end. Cotytto ran forwardly to the stretch and tired. Amri finished well. Gliding Belle, away very badly and seriously interfered with, closed a big gap. Chaffinch showed early speed.

Time, 11⅗, 23, 34⅕, 47, 59⅘, 1:13, 1:40, 1:47.
Winner—Ch. g, by St. Leonards—Illogical (trained by J. Fitzsimmons).
Went to post at 5:00. At post 3 minutes. Start fair. Won driving; second and third the same. George G. Hall ran in striking distance pursuit of the pacemakers and wore them down in a long and game drive. Delirium drew out quickly and threatened to spreadeagle the others, but excessive urging in the early running caused him to tire. Montauk, a slow beginner and nearly left, closed an immense gap and is a stayer. Coat of Arms showed superior early speed, but tired after strenuous pursuit of Delirium. Monocle, away badly, made up a tremendous space of ground. Torenia was prominent for nearly a mile. Rosario closed up steadily. Faran d'Or, cut off sharply at the start and knocked back to last, closed a tremendous gap.
Scratched—75346 Green Hill, 110.

Winner—B. f, by Masetto—Maltese Cross (trained by L. Christy).
Went to post at 2:43. At post 4 minutes. Start good. Won driving; second and third the same. Mrs. Sewall, away in a tangle, gained steadily and, finishing gamely, came away from Serenade in the last seventy yards. Serenade showed the most speed to the stretch, but tired after going a good half. The Missus closed a gap in the stretch and outstayed Chalice. The latter ran a good race and came from far back in the stretch. Alice Baird ran fairly well. Mercadel showed speed, but quit in the last furlong. Queen's Message got off badly and was given a bad ride. The winner was entered for $400; no bid.

Winner—Ch. g, by Juvenal—Taluca (trained by W. J. Donohue).
Went to post at 3:18. At post 1 minute. Start good. Won easily; second and third driving. Jason was a close contender all the way and, finishing gamely, wore McIlvain down in the last furlong and won going away. McIlvain, hard ridden throughout, appeared a certain winner after wearing Coal Black Lady down, but tired and swerved badly at the stretch hurdle. Chancellor ran a good race and is showing steady improvement. Impertinence was kept far back in the first round of the course, but failed to respond when called on. Coal Black Lady went well to the last jump, where she unseated her rider.

*H. P. Whitney entry.

The figures under "Rec." in above entries show the best time made by the horse at the distance since January 1, 1906. This time is not necessarily made by a winner. It may be the estimated time of a losing performance.

LATEST PERFORMANCES OF HORSES ENTERED TODAY.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

S. B., Kenosha, Wis. See reply to H. C G.

Beattie, Chicago. The bet on Fair Play was a winner.

F. M., Kenosha, Wis. Since Helmet only ran third, a show bet was all he could win.

W. S. B., Norwood, Ohio. Tim Hurst paid $22.80 to $5 to show, or at the rate of $4.56 to $1.

D. K., Toronto, Ont. On Irrigator, June 23, you should be paid at the rate of $34 to $5 straight and $22.55 to $5 place.

. Paul B., Detroit, Mich. Calculate Apache at $3.25 to $5 and Miss Strome at $4.15 to $5. The parlay should return $6.40.

T. G., Toronto, Ont. In case of a dead heat a bet on a horse at 2 to 1 would win at 1 to 2, and at 10 to 1 at 4½ to 1.

H. C. G., Joliet, Ill. Fair Play was not an added starter. His name, weight and latest races appeared in "entries and past performances," but his name was accidentally omitted from the regular entry list in making up. Bets go as the horses finished.

C. A. R. and others, Chicago and elsewhere. In race 75562 Hidden Hand was out to show. In race 75581 Lee Harrison II. was 1 to 2 to show. In race 75583 Decorate was out to show. In race 75599 Edwin T. Fryer was 2 to 5 to show. In race 75619 Preen was out to show. In race 75632 Nebulosus was out to show.

Eddie H., Chicago. July 4, 1900, Sidney Lucas started in and won the second race of the day at Washington Park, defeating Norford, Midwood and two more. Then he was started in the fourth race of the same day, the Sheridan Stakes, and ran third to Sam Phillips and Advance Guard, Sam Phillips winning from Advance Guard by a half length, with Advance Guard a head in front of Sidney Lucas.

NOTES OF THE TURF.

The injury Norman III. received in the Epsom Derby will lay him by the heels for some time to come.

J. Marsh, an English trainer, has taken the place of R. Figes as starter for the tracks under the French Jockey Club.

After the finish of the Great Trial Stakes Paul J. Rainey offered John Madden $40,000 for Fayette. Madden declined the offer.

After the Beacon Steeplechase John M. P., the Joseph E. Widener starter, pulled up very lame. It was thought after a superficial examination that he would have to be rested and doctored for the ailment.

One of the advertised stars of the Butte meeting is old "W. B. Gates, which has won 100 races." The latter statement is not true and instead of being starred, the old horse should be retired to an extra good and green pasture.

The Scotch three-year-old Raeberry is having much success in England. He is owned by the Duke of Montrose, a son of the late famous Caroline, Duchess of Montrose, who after the fourth duke's death married Mr. Crawford, and for many years played a prominent part on the turf, racing as "Mr. Manton".

Emperor William, Barney Schreiber's much-hoped-from two-year-old, ran unplaced in his first essay at Latonia a day or two ago, but will do better. The Enquirer said of him: "He certainly looks the part of a great racer. He was too high in flesh, however. On looks he was a 1 to 10 shot, and he will certainly be heard from when he gets east."

After Fair Play ran his remarkable race in the Coney Island Jockey Club Stakes A. J. Joyner sent a cable to August Belmont, his owner, telling of his success. He also informed the chairman of the Jockey Club that the colt had come out of the race in good shape and should be right and ready for the running of the Lawrence Realization.

As an instance of how the handbook industry is flourishing, there is one street corner community in New York which, for years, has been catered to by one man making a book for them. His sinecure has been invaded by just four aggressive handbook men since June 11—and more to come, as the field is a good one, easy to handle and exceedingly difficult from which to "obtain evidence."—Sports of the Times.

CLASSIC STARS ABSENT FROM ASCOT.

The London Mail laments because Rhodora was the only classic star at Ascot and says: "Slieve Gallion has gone abroad, Orby cannot be trained, Witch Elm and Glass Doll we hear nothing of and Wool Winder is temporarily in trouble. These comprised the classic winners in 1907. Of this season's lot, Norman III. was injured in attempting to follow up his Two Thousand Guineas success in the Derby, and the new idol, Signorinetta, heroine of both the Derby and Oaks, has no engagement at the meeting."
